TV FESTIVAL DE CANNES

USER GUIDE

1 – Plateform address
Web Browser: http://webftp.tvfestival.tv
FTP software: ftp.tvfestival.tv

2- Log you with login and password you received by mail

3 - Choose the date folder you want

In the folder, you will find one folder by movie. In the film folder you will find all the files available for this movie : Photocall, Interview, Press Conference et Red Carpet. Each file
is available in french, english and original version. All files are branded with Orange, Canal+ and Festival de Cannes logos.

A LowRes file is also available in each version (Proxy).

It is better to download the files on you computer rather than watch them on the website.
